Beginners' Digital Skills Drop-In Workshop

Would you like help getting started using your smartphone, tablet or laptop? Do you have a question about more advanced device features? Come to our drop-in workshops at Sidings for hands-on help and advice. This is not a course, so you don't need to come every week.

Tutor: Abdulghani Leily

DATES & TIMES

**From 27 Sep 2024 to 13 Dec 2024
Friday 10:00 am - 12:00 pm**

Advanced Digital Skills Drop-In Workshop

If you know the basics, you might still have more advanced questions about your device which you can't work out how to solve. Maybe you need advice on installing screensavers, organising your folders, using text-to-speech software, or syncing your accounts? If so, come along to this drop-in workshop.

Tutor: Abdulghani Leily

DATES & TIMES

**From 26 Sep 2024 to 12 Dec 2024
Thursday 13:00 pm - 14:30 pm**

Advanced Skills in MS Word & Google Docs

If you already have good skills in MS Word, take your skills to the next level with this advanced course. You'll explore more ways to edit your documents, including text and page layout, tables, images, referencing, templates, and more. You'll also learn how to create, save and collaborate on documents in the Google cloud.
